FOREWORD

The sands of time have shifted. This the MIDWAIAN for 1960 marks the end of another phase in our lives. As we bid good-bye to these hallowed halls, that have meant so much to us in the past four years; let us pause to look back on some of the activities and organizations that played such a large part in our lives during that time.

Perhaps at a future date when we pick up this book it will bring back pleasant memories and thus serve as a connecting link with past embodied with pleasure and a rich heritage.

LAST WILL AND TESTAMENT

We the members of the Senior Class of 1960, in hopes of improving the school, leave this last will and testament.

To Mr. Creath, we leave the faculty because as the old saying goes, "You can't take them with you when you go."

To the teachers, we leave our friendly smiles--you never gave us many.

To the Juniors, we leave Mrs. Shelton, in hopes that she will do as much for you as she has done for us.

To the Sophomores, we leave nothing because next year's seniors will leave you enough.

To the Freshmen, we leave our ability to survive English for four years (that is, most of us!)

DARLENE RIGGS wills her ability to keep quiet when necessary to Patsy Thomas.

JUDY DAVIS wills her curly hair to all straight haired girls.

PHYLLIS MAYTON wills her temper to Marilyn Riggs.

NANCY LEONARD wills her sarcasm to Carolyn Riggs.

N. C. OLGERS wills his big hands and big feet to Jerry Pond.

CHARLES BEACH wills his two hundred and thirty pounds to Dud Allen.

BOBBY OLGERS wills his ability to break girls' hearts to Waverely Reams.

ANN GENTRY wills her primping ability to Jacque Moody.

BILLY MORGAN wills his "crew cut" to Jack Nixon.

BETTY ROBERTS AND JOE SHELTON will their everlasting friendship to Kay Roberts and Winfred Watkins.

JO ANN FORD wills her energy to Kay Roberts in hopes she will put it to good use.

SHARON WHEELER wills her slow motion to Ginger Stanfield.

RICHARD ROBERTS AND DONALD HARAWAY leave their English grades to anyone who thinks he can improve them.

PATSY COOK wills her long fingernails to Gwenn Marston.

GRACIE RICHARDSON wills her giggles to Cynthia Owen.

STEWART DUVAL wills his height to Andy Reams.

LOUISE KEENE wills her dark complexion to Mary Clarke.

PEGGY HAWKES wills her talking ability to no one as she can't get along without it.

NELSON VAN CLEEF wills his quietness to Sambo Richardson.

JILL BENNETT wills her ability to hold one man to Diane Heller.

MARGARET SMITH wills her ability to get A's to Martha Rowe.

SHELVY LEWIS wills her ability to be modest to anyone who thinks that he can live to it.

PROPHECY

On June 6, 1960, as we relaxed in easy chairs, our fancies turned to the members of the graduating class of 1960. To our surprise, we remembered that:

Donald Haraway went to college and is now broadcasting the Richmond Virginian's games.

Stewart Duval became editor of the famous newspaper, "The Rebel", and in it he proposes the abolishment of "work".

Bobby Olgers is the owner of the largest granite mine in America and has a Cadillac for each day of the week.

N. C. Olgers signed a "bonus baby" contract and is now roaming the outfield for the Washington Senators.

Nelson Van Cleef became a traveling evangelist and is now in Africa preaching to the natives.

Gracie Richardson hooked Charles Riggs and they are now owners of the Riggs National Bank in North Carolina.

Jo Ann Ford and Phyllis Mayton joined together as singers and are now featured on The Pat Boone Show.

Margaret Smith, after graduating from college, became the new English teacher at Midway, replacing Miss Abrahams.

Richard Roberts married a lady wrestler and is now her manager.

Darlene Riggs finally hooked Charles Roberts and both are now in the marines.

Shelvy Lewis opened up a "Dairy Treat" and is now earning her first hundred dollars.

Betty Jean Roberts and Joe Shelton, after being engaged for five years, finally married and are now raising a basketball team.

Louise Keene became the new secretary at Midway, replacing Mrs. Rawlings.

Jill Bennett and Horace Bowman are now the co-editors of The Progress Index.

Nancy Leonard, the famous leader of the S.P.C.A. is now operating a home for stray cats.

Judy Davis became the first woman to run for the office of President of the United States. (she lost)

Sharon Wheeler and Peggy Hawkes graduated from college and became the principals of Dinwiddie and McKenny, we wondered why so many students are attending Midway now.

Patsy Cook after studying for ten years to become a good cook, opened up a restaurant in Richmond. We heard that business was picking up, in the city morgue, that is.

Charles Beach got caught for shoplifting and is now in Alcatraz.

Ann Gentry owns her own beauty shop so her expenses won't be too high for Murray.

Billy Morgan joined the Air Force and is now in the guardhouse for stealing an air plane and flying non-stop from Petersburg to Richmond.
